

# 2023/2024 TRIATHLON AUSTRALIA MEMBERSHIP GUIDE

# BE PART OF OUR TRIATHLON COMMUNITY WITH **TRIATHLON AUSTRALIA MEMBERSHIP**

**Triathlon Australia membership provides you access to clubs, coaches, events and racing opportunities across Australia, as well as cover while you are training and racing, depending on your chosen membership package.**

With so many ways to get involved, we've made choosing the right membership simple with core membership options – so you can be sure your membership supports your triathlon journey.

Being a member not only provides you with many benefits, you'll also be supporting triathlon in Australia so our community can continue to enjoy outstanding triathlon experiences.

## **Join your local club**

Triathlon and multisport clubs offer safe training environments where you can enjoy weekly training sessions, hone your skills with accredited coaches and get race ready with club events. You'll also be able to compete with club pride at club championships. To support our affiliated clubs and ensure they remain accessible for the triathlon community, Triathlon Australia membership is more affordable when you join through your local club.

## One Day Licence

If you race in sanctioned events, you will need to have insurance for racing. If you do not have a membership which includes insurance for racing (Standard or Premium), you'll need to purchase a One Day Licence (ODL) with your event registrations which provides a limited level of cover for racing. Note – ODL does not provide cover while you are training for sanctioned events.

## ADD ONS

In addition to core membership, if you are a coach, technical official or professional athlete, you can include additional packages with your membership by choosing from the following Add Ons. You can choose multiple Add On packages, to reflect your level of involvement in triathlon.
